

Field Trip Friends

2018 SPRING SESSION EDUCATIONAL THEME:

🐾🐾🐾 *All About Animals!* 🐾🐾🐾

Children are fascinated with animals!
They're fun to imitate, ride, feed, and pet! They're even fun to smell, listen to, watch, and hold!
Foster your child's natural wonder & amazement of animals by joining
Field Trip Friends' educational theme of
*** All About Animals! ***

*Every single trip in our Spring Session will have you & your children
interacting with & learning about different types of animals!*

We'll learn all about a variety of animals, from tropical birds to milking cows, from reptiles to amphibians, from equine to lamas, from turkeys to macaws. We'll learn all about animal characteristics, environments & habitats, & what it takes to care for different kinds of animals. Animals eat different foods, leave different tracks, make different kinds of poop (they'll love that!), make different noises, & have different abilities! Why do their tails move? Do they have ears? Why do they have those kind of feet? They're all so interesting and amazing!!

Come on....Let's go!

Sneak-Peek (in no particular order)

- 🐼 Surround yourself with sweet, furry farm animals, including sheep, goats, donkeys, pigs, turkeys, and miniature horses at a petting farm! They're so soft!
- 🐮 Learn where milk comes from as we visit a dairy farm! See cows be milked, feed calves, eat fresh butter, & collect a basket full of colorful eggs at the hen house! Moooo!
- 🐔 Meet & feed a lama with your mama, pet a pot-bellied pig, put a chicken on your head, & feed the donkey & his other animal friends! Heehaw!
- 🐎 Visit a horse ranch to ride a pony, tour the stables to meet the horses, interact with animals in the petting zoo, & learn all about horses! Giddy up!
- 🐦 Meet, feed & hold an amazing collection of beautiful tropical birds as we learn all about them & what part of the world they're from! What do they say?
- 🐱 Meet a variety of animals that make good pets & learn how each needs special care & different habitats!
Is that a chinchilla?
- 🐸 Meet little reptiles and amphibian friends, all found here on O'ahu! Watch the bufo toad hop, pet the chameleon, & meet a Hawaiian snake! Ribbit!

.....and so much more!!!
